ARMY AND NAVY ON BALL FIELD

The army and the navy will fight for baseball supremacy Saturday afternoon, when the West Virginia team will stack up against the fast line of the Fifth Cavalry. This will be the first game of a double header at Athletic Park, the closer being between the Navajo and Colorado.

Sunday the fast Asahi team will go against the Colorado's baseball aggregation, and the West Virginians will play an All-Hawaii team.

This promises to be a big show, and the gate should be worthy of the attraction as the proceeds will go toward the fund to send Duke Kahanamoku east to take part in the A. A. U. swimming championships.

DIABETES

From late figures the hope of recovery under the new emollient treatment seems to be about as follows:

In people of sixty and over results are quite uniform, probably ninety per cent recovering. While at fifty and over a large majority of all cases yield to the treatment, below fifty and approaching forty the disease gets more stubborn, and between thirty and forty the percentage is not high—probably not much over half yielding.

Under thirty the percentage is less, and in children recoveries have been very few and most of those were obtained with the aid of skilled physicians forcing nutrition, with alkaline treatment to prevent formation of acetones.

The new emollient treatment is known as Fulton's Diabetic Compound. For sale by all druggists.

We desire every patient to write us who is not noting the usual improvement by the third week. Always state age, literature mailed free. Jno. J. Fulton Co., 645 Battery St., San Francisco, Cal. We invite correspondence with physicians who have obstinate cases.

QUARTERMASTER'S AUCTION AT RUGER

There will be sold at public auction, at the Quartermaster's Corral, Fort Ruger, Diamond Head, T. H., on Saturday, December 9, 1911, at 1:30 p. m., the following articles no longer required in the Government service:

ENGINEERS SEE PEARL HARBOR

The navy tug Navajo carried a distinguished party of visiting engineers, naval men and local lights to Pearl Harbor this morning. A landing was made at the drydock and the party returned by special train, stopping off at the Honolulu plantation, and winging up the morning's outing with a lunch at the Commercial Club.

The trip was planned by the Hawaiian Engineering Association for the entertainment of 70 members of the American Association of Mining Engineers, who arrived from the Orient on the Siberia this morning. When they went through Honolulu outward bound, they did not have time to take in the navy's big engineering project. Governor Frear, Admiral Coker, several visiting naval officers, B. P. Dillingham, Walter F. Dillingham, President Hinds of the San Francisco Bridge and Dredging Company were among those who showed the visitors around. The Navajo was obtained through the courtesy of Admiral Coker.

ENTERTAINING FLEET BOYS

Ed Towse will entertain the men of the fleet with a stereopticon lecture this evening on board of the South Dakota. The lecture will commence at half past seven.

Rev. Dr. Wadman will lecture on board the West Virginia on Saturday evening, showing some interesting views of the islands, including Kilauea Volcano. The crews are cordially invited to attend.

Lectures will be given on each ship during the stay of the fleet and various entertainments are being planned by the Seamen's Institute, the dates to be announced later.

Reading matter for the boys of the fleet may be left at the Seamen's Institute at foot of Alakea street. Magazines and other periodicals most welcome.

M'MAHON CASE MARKS TIME

No further evidence was taken this morning in the case, in which Sergeant John A. McMahon is being tried in the Federal court for the murder of A. N. Cederlof, the whole of the morning being occupied in argument.

On Wednesday during the morning session the prosecution offered in evidence a letter which McMahon is supposed to have written. The defense objected and Judge Clemons took the matter under advisement. This morning when the court opened he had reached no decision and when the noon hour came the matter was still open.

HILO WHARF WAS UP AGAIN

Although the matter of the proposed Hilo wharf was once again before the harbor commission at its meeting Wednesday afternoon little further was done in the matter. The Inter-island company, which was to have had plans ready to submit to the commission, through C. R. Hemenway stated that it had not had time to complete them and asked for a further extension. This was granted. L. A. Thurston who was present, stating that he had no objections and that he thought the Inter-island people were getting along as fast as they could.

GAS ON THE STOMACH

Distressing Symptom of a Form
of Stomach Trouble Which
Dr. Williams' Pink Pills
Will Cure.

When the blood is poor and thin, and the stomach in consequence is imperfectly supplied with well-oxygenated blood and nerve force, the digestive process becomes slow and fermentation of the food goes on, with formation of gas and certain acids.

The pressure of the gas causes pain in the stomach; sometimes it affects the heart. When the gas is belched out through the mouth the patient is temporarily relieved. The sour risings in the throat and burning sensations in the throat and stomach are caused by the acids of fermentation.

There are plenty of things to neutralize these acids, or, "sweeten the stomach," as it is called, but they do not cure the trouble. Pure rich blood which will tone up the stomach is required, as this case shows.

Mr. C. E. Randall, a farmer, whose address is Box 23, Cedar Junction, Kan., says:

"About twelve years ago I had a severe attack of stomach trouble which followed a general run-down condition of my health. I cannot describe the severe pains I had across the pit of my stomach. It often seemed as though there was a heavy pressure there. Many a time I have sat up in bed with cramps in the stomach which were so terrible that I could not get to sleep. After eating I would generally have a sour stomach and be troubled with gas."

"I had been sick for about a year or more when Dr. Williams' Pink Pills for Pale People were recommended to me. I started using them and felt better in a short time. I continued to use the pills until I was cured."

The vigor and strength which comes from a healthy stomach and a perfect digestion can only be obtained by keeping the blood pure and red. Sufferers from too much gas or acid on the stomach, heartburn, tenderness or pains through the pit of the stomach, or any form of indigestion cannot do better than to try Dr. Williams' Pink Pills.

The pills are for sale by all druggists, or will be sent, postpaid, upon receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y. Send for our free diet booklet.
